To,

The Secretary to the
Government of Mysore
Muzarai Department

Sir,

With reference to your official memorandum No. 658 dated 19th December 1893 and reminder No. 925 dated 23rd February 1894, forwarding for enquiry and report 2 petitions from Narayanachar Archik of Ramadevarao Temple at Holavanahalli in the Kortgere sub-Taluk, I have the honor to state as follows. -

2. The petitioner complains that the Dharmakarta of the temple does not disburse the pay of the temple servants every month. Rangachar the present managing member of the temple admits the truth of the complaint and says that it has been usual since a long time to advance in cash or kind the wages of the temple servants whenever they want them and adjust the advances out of their monthly pay.

3. Secondly, the petitioner says in the petitions

petitions that Rs. 58/- are due from the Dharmakarta on account of his pay for 2 years, and adds ~~in~~ in the statement given before the Deputy Amildar that he should get Rs. 76-9-4. But the said manager Rangachar says that nothing is due to the petitioner. He has however no receipts for all the payments made. Excepting the petitioner none else has complained of non-payment. The petitioner is said to be immical to the Dharmakarta. -

4 Thirdly the petitioner complains that the periodical worships and processions are not done regularly. It would appear that there are two parties in the village, one declaiming the other. The manager Rangachar states that as the money set apart for some of the minor services is small, the same are stopped and the money thus saved utilized for other services.

5 Fourthly the petitioner says that the "Nandadeva" has ceased even though there is a rope-planted with Ippe trees specially devoted for that purpose and that the Dharmakarta misappropriates the oil. The manager Rangachar states that it was usual
for

to get the oil from a certain
appointed by the Dharmakarta,
but that of late he declined to get it
on the ground that it was not his
business to do so and that the "Nanda-
dipam" therefore ceased. Orders have
been issued to direct the petitioner to
follow the old custom.

6. Fifthly the petitioner says that
a portion of the temple is in disrepair
and the idol of Anjanaya that was
there has been removed from its ori-
ginal place and been lying without
being reconsecrated. The Manager
Kangachar states that the repairs re-
quired will cost much and that there-
fore the Government should give
some aid.

7. The petitions received with the
references under reply are herewith
returned. —

I have the honor to be,
Sir,

Your most obedient servant,

A. K. Subramanyam
Deputy Commissioner.

Memos by the Muzrai
Superintendent

Petition No. 586 dated
26th November 1893 from
Narayana Char, Archak
of Sri Ramadevaru
Temple in Holavanahalli,
Maddur Taluk, complain-
ing of certain irregularities
in the management of
the temple affairs by
the Dharmakurtha Ranga-
Char.

Letter No. 978 dated
22nd June 1894 from the
Deputy Commissioner
Mysore reporting
on the above.

Both the petitioner
Narayana Char and the
Dharmakurtha Ranga Char
were personally examined

in this office and the
state ment made by
them are hereto annexed.

2. The complaints brought
by the Archak Karayachar
against the Dharmakartha
Rangachar may be
summarized thus:—

I. That the Dharmakartha
does not disburse the
pay to the temple servants
regularly every month.

II. The Yekadasi Utsavam
in the temple has been
stopped.

III. The Nanda Deepam
in the temple is not
maintained.

IV. That the idol of
Anjanaya Devaru has
been displaced and no
Puja is performed to it.

3. As regards the first

out, the Sharmakurtha
Rangachar himself admits
that he does not disburse
the salaries regularly
every month. He says
that he used to advance
money to the temple servants
at their requests and sub-
sequently reimburse him-
self from their monthly
salaries. This is highly
irregular and the practice
should be at once dis-
continued. In future
the Sharmakurtha should
draw the Tasdik from the
Taluk Katcheri at the
beginning of each month,
and make payments of
the salaries to the temple
servants without delay
and take their signatures
in an Acquittance Register
which should be

for the purpose and kept
up regularly. These
payments should be
made in the temple
premises. Regular ac-
counts of the Receipts
and the Expenditure
in the temple should
also be maintained.

As regards the dis-
continuance of the Yekka
M. N. Saram the Sharma.

Vineta says that the
amount sanctioned
for the purpose in the
Tashtak Tette is now utilized
to meet the pay of the
mistakeholders for which
there is no separate

amount in the Tashtak
Tette. He states that this
practice has long been
in vogue and requests

that the same may be continued in future, as the services of the maskal-chies are indispensable to light the temple and to attend to other miscellaneous works. The present practice may therefore be continued.

5. In respect of the non-maintenance of the Kanda Deepa in the temple, the Dharmak^{the} says that it was usual for the Archak Narayana Char to fetch the oil required from a certain shop appointed by the former, that of late he, the Archak, declined to do so on the ground that it was not part of his

duty. It has now been arranged that the temple Gollan should fetch the oil from the shop or other place appointed by the Dharmakartha and deliver it to the Archak. If the present Gollan should refuse to do this duty he should be removed and another man appointed to his place.

The handa Deepa should be maintained regularly in future.

6. As regards the non-performance of the Puja to the Anjaneya Devuru, the Dharmakartha

says that the Ashta-
bandhanam has become
loose and no Puja is
consequently performed.

This is objectionable.

The Dharmakartha should
have promptly repaired
the ashtabandhanam; he
should now take early steps
to do it. Meanwhile
until the Ashtabandhanam
is repaired and Puja
renewed, proportionate
amount of annas 12 should
be withheld every month
from the temple Tasdik
and kept in deposit in
the Taluk Katcheri. The
amount thus withheld
should only be paid
after the Amildar
certifies that necessary
repairs have been ^{effected}.

and the Pija duly revived.
7. Both the Dharmakarthas
and the Archak have
agreed to the above arrange-
ments and the Amildar
should see that they are
duly carried out.

8. The internal manage-
ment of the temple will
continue to be in the hands
of the Dharmakartha Rang-
chan as heretofore; but
to assist him in the
work and also to see
to the due distribution
of the salaries to the temple
servants, two respectable
residents of the village
will be associated with
the Dharmakartha as
in the enclosure.
